Our detailed shipping policies are as follows:

- To ensure a seamless delivery process, please provide a full and accurate postal address, complete with pin code, email address, and contact number. Double-check your pin code and contact number before finalizing your order, as this information is critical for accurate delivery.
- If the item(s) you ordered are currently in stock, we will carefully pack and dispatch them from our warehouse within three working days.
- In cases where some items are not available in stock, we will arrange production and ship the order within 10 working days from the order date. We will keep you informed throughout this process to ensure you are updated on the status of your shipment.
- Our shipping partners deliver shipments Monday through Saturday, from 9 a.m. to 7 p.m. Please note that public holidays and Sundays are excluded from regular delivery schedules.
- Delivery timelines may be subject to unforeseen events beyond our control, such as transportation delays by our courier partners, adverse weather conditions, or unexpected strikes. In such cases, we appreciate your patience and understanding.
- Once your package is dispatched, you will receive an email from us containing tracking information for your order. We kindly ask for your patience while we prepare the dispatch details.
- We work with a network of courier partners to facilitate shipping across India. Depending on your location, the expected delivery time may vary between 2 and 9 days.
